# Our chairman's annual address

Well, here we are again, my 2nd year in post. I thought I'd volunteered to cover for 1 year as temporary chair!!

Please do not let that put you off, we need volunteers, without the willing gang of bods that we have who have worked tirelessly to put this show and the Horse/Dog show (that had to be rearranged owing to fields in May being under water, it then didn't rain again until June) together we wouldn't have a show.

This year as all other years there have been issues and challenges, attraction prices going up through the roof being the main one. It seems Covid is still causing us problems, one act that we have used in the past have usually charged us £700, this year they asked for £1,700 so if you miss them you may guess that they have priced themselves out of our market. We have reintroduced the concessions rate this year and have managed to maintain last years prices for entry.

As has been mentioned many times in the past most of the income is from payments at the gate. We have been very lucky this year in that sponsorship and support from local business has been very welcome, and has enabled us to cover the cost of many of the attractions which we hope you will enjoy.

So please join us up at Church Meadow, and enjoy the afternoons attractions. Enjoy the Vehicle Display, Horticultural Tent, and please remember it is so much more fun if you enter your prized Rose and win.

Any feedback is welcome, your input is crucial.

Cheers

**Sue Ripley**

We thought you may like an idea of just how much it costs to put on the show. Please be aware that costs have increased to us this year, but that we have managed to keep the entry fees to the same as last year.

Our constitution requires us to keep enough money to pay for following years show in the bank. So fingers crossed we will have a good day and the sunshines for us all. We are so grateful to the support from our advertisers and sponsors.

Marquees – £3,007.20

Loo – £1,319.00

Entertainment – £4,440

Insurance – £277

Programmes (Summer Show) and Website (Hosting) – £1106.59

Advertising – £188.00

Ancillary costs too many little ones to mention, however it costs approx £10k to put on.

# Recipe

## Class 82: Cinnamon Plait

**SERVES 6-8**

**HANDS-ON TIME 1 HOUR,**

**OVEN TIME 30-35 MIN,**

**PLUS RISING AND PROVING**

**Could there be anything better than waking up to this cinnamon plait recipe being freshly baked for breakfast?**

### Ingredients:

1 quantity bread dough  
80g light brown sugar  
1 tbsp ground cinnamon  
125g salted butter, well softened  
80g raisins  
Flour for dusting

### Method

Make the bread dough as in this recipe to the end of step 4, increasing the amount of caster sugar in step 1 to 1 tbsp.

Roll out the dough into a square about 1cm thick.

**1** Combine the light brown sugar, cinnamon and butter in a small bowl.

Set aside about 25g of the mix, then spread the rest evenly over the dough using a spatula or palette knife.

Scatter over the raisins.

Starting with one of the long sides, roll up the dough into a log.

Using a rolling pin, roll the log into a long rectangle about 8-10cm wide. Roll gently – you

don't want the dough to split so the raisins poke out.

**2** Using a sharp knife, cut the rectangle lengthways into 3 equal strips, leaving 2cm dough intact at one end so the strips stay together.

Plait the strips along the length, then squeeze the ends together to seal.

**3** Brush the reserved cinnamon butter over the top of the plait, then carefully lift onto a floured baking sheet.

Cover loosely with a clean tea towel and leave to prove for 45 minutes or until the dough stays indented when gently pressed with your finger.

Heat the oven to 180°C/160°C fan/gas

**4.** Bake for 30-35 minutes until puffed and golden (cover with foil if it browns too quickly).

Cool completely on a wire rack, then slice or tear to serve.

**5** Try a mixture of ground ginger, allspice or nutmeg instead TIPS of the cinnamon, if you like.

This bread is best on the day it's eaten, but it will keep for a day or so, well wrapped, in a cool place.

## Vehicle Display 2023

**“Are there enough interesting vehicles in and around the parish of Wanborough to put on a display?”**

It was a question which cropped up a few years ago, when we were thinking about new ideas for our village show. The answer of course was **“Yes”**.

So in 2013 we staged a new attraction which we have run successfully each year since – a vehicle display which has included some fabulous cars, old, new, customised, restored and original. We’ve been proud to have a pre-war tandem bicycle, some classic motor bikes and scooters. Military vehicles are a regular feature including some fearsome armoured vehicles and a jolly wartime Jeep.

Wanborough’s farming heritage has been well represented too with vehicles ranging from shepherd’s huts to steam engines. We’ve had earth movers and tractors – some old, some new, some very large and some quite small!

Last year, despite the rain, we had a parade of vehicles in the arena representing vehicles from the 1920’s to modern day. We also had a display

 @wanbshow  @Wanborough\_show

of a steam powered threshing and beautifully restored and maintained commercial vehicles. This year we hope to do even better and whatever turns up on the day we feel sure it will give us plenty to enjoy share and chat about.

If you have an interesting vehicle and would like to take part please contact **John Boston 07774771551** or email **bostonj2@btconnect.com**

## Photography

On the day we usually have several photographers and videographers capturing show memories, these images and videos may be used for marketing and promotional material for future shows. If you don't want your image to be used please let the photographer know on the day. If there are any images with children in we will try to obtain the parent's permission to use these images.

If you would like to share your photos please do, you can either send them to us at [info@wanboroughshow.org](mailto:info@wanboroughshow.org) or share them on our Facebook page.

## Vehicles (Display and General)

The show field is a busy place especially on show day. The show involves people, animals and vehicles of all types. We would like to remind people to take as much care as they would do on a busy road. In fact please take even more care!

This basic rule applies to drivers too of course. Please anticipate the unexpected and always keep to the speed limit which for all parts of the show fields, the entrances and exits is DEAD SLOW at all times!

- Please take as much care as you would do on a busy road
- Please anticipate the unexpected
- Please keep to the speed limit which is DEAD SLOW at all times!

Thank you for helping us keep a safe environment.
