Our chairman's annual address

Third year in the post that I volunteered to cover on a temporary basis!! This will be my 25th Year involved with the Show Committee having previously covered providing teas and sandwiches for all the helpers on the day, starting and running the Carnival as a 1 off in 1999 with Linda and Kathy, (It ran for 17 years), Evening event in the large marquee and running the Tea Tent during the day, I was involved in many years as a supporter prior to that. I would really like to find a replacement for the Chair within the next 2 years. I'm getting too old for all this malarky, the show needs new ideas, and new blood. Are you that person? Contact me with a view to becoming Vice chair for the next couple of years.... Think you might? Call me! Or see me in the bar at the end of the Show.

Last years show went very well apart from some issues behind stage but we had the acts, and the weather, and apart from the entry fee, you can spend the whole day on the show ground and not spend any money if you bring your own picnic. We even cover a couple of free events for the children and teens. Our main cash revenue is money made on the gate although we are so very grateful for the sponsor's listed further on in the programme.

A very big welcome to our new neighbours at Redlands Grove, we hope to see you on the day to see what a great show is put on by a happy bunch of volunteers, without who this event would not happen.

So please join us up on Church Meadow, enjoy the afternoon's attractions, enjoy the Vehicle Display and the Horticultural Tent, please remember it is so much more fun if you enter your Fruitcake, Veg and or Prized flowers, it all adds to the fun when you pick up that valued Prize Card.

See you on the day, you will find me in the Horticultural Tent.

Cheers

Sue Ripley

Hints and Tips from the cookery judges

- It is really helpful to add a descriptive label.
- We can't control the temperature in the Flower and Produce Tent. Please be aware of this when serving food which has been in the tent for some time. Be particularly wary of using fresh cream for decoration.

Recipe

Class 82: Cinnamon Plait

Ingredients:

- 1 quantity bread dough (see notes)
- 80g light brown sugar
- 1 tbsp ground cinnamon
- 125g salted butter, well softened
- 80g raisins
- Flour for dusting

Method

- 1) Make bread dough as in notes – roll out into a square about 1cm thick. Heat oven to 180°C/160°FAN/Gas 4
- 2) Combine sugar, cinnamon and butter in a small bowl, set aside about 25g of the mix, then spread the rest evenly over the dough, using a spatula or palette knife, scatter over the raisins. Starting with one of the long sides, roll up the dough into a log. Using a rolling pin, roll the log into a long rectangle about 8-10cm wide, roll gently – you don't want the dough to split, so the raisins poke out.
- 3) Using a sharp knife, cut the rectangle lengthways into 3 equal strips, leaving 2cm of dough intact at one end, so the strips stay together. Plait the strips along the length, then squeeze the ends together to seal.
- 4) Brush the reserved cinnamon butter over the top of the plait, then carefully lift onto a floured baking sheet, cover loosely with a clean tea towel, and leave to prove for 45 mins, or until the dough stays indented when gently pressed with your finger.
- 5) Bake for 30/35 mins until puffed and golden (cover with foil if it browns too quickly). Cool completely on a wire rack

Notes - Bread Dough

Ingredients:

- 7g Dried Yeast
- 1 tbsp Caster sugar
- 290ml Lukewarm milk
- 450g Strong Bread Flour plus extra for dusting
- 1tsp salt
- 1 Egg
- Oil for greasing.

Method

- 1) Dissolve the yeast and sugar in a little of the lukewarm milk, in a small bowl
- 2) Put the flour in a large mixing bowl with the salt. Pour in the yeast mixture, the rest of the milk plus the beaten egg. Stir with a round bladed knife until the dough begins to come together. Tip out onto a lightly floured work surface and knead for 10 minutes, or until the dough becomes smooth and elastic, and springs back when pressed lightly with your finger.
- 3) Put the dough into a lightly oiled bowl, cover with lightly oiled cling film and leave somewhere warm to rise for 1 hour
- 4) Tip the dough out onto a lightly floured work surface and knock back for a minute or two (gently knead to distribute the air.

Vehicle Display 2024

“Are there enough interesting vehicles in and around the parish of Wanborough to put on a display?”

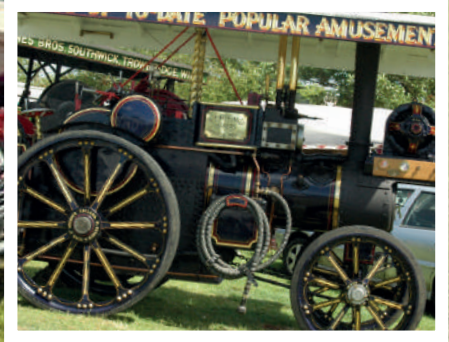

It was a question which cropped up a few years ago, when we were thinking about new ideas for our village show. The answer of course was **“Yes”**.

So in 2013 we staged a new attraction which we have run successfully each year since – a vehicle display which has included some fabulous cars, old, new, customised, restored and original. We’ve been proud to have a pre-war tandem bicycle, some classic motor bikes and scooters. Military vehicles are a regular feature including some fearsome armoured vehicles and a jolly wartime Jeep.

Wanborough’s farming heritage has been well represented too with vehicles ranging from shepherd’s huts to steam engines. We’ve had earth movers and tractors – some old, some new, some very large and some quite small!

Last year we had a parade of vehicles in the arena representing vehicles from the 1920’s to modern day. We also had a display of a steam powered threshing

and beautifully restored and maintained commercial vehicles. This year we hope to do even better and whatever turns up on the day we feel sure it will give us plenty to enjoy share and chat about.

If you have an interesting vehicle and would like to take part please contact **John Boston 07774771551** or email **bostonj2@btconnect.com**

Photography

On the day we usually have several photographers and videographers capturing show memories, these images and videos may be used for marketing and promotional material for future shows. If you don't want your image to be used please let the photographer know on the day. If there are any images with children in we will try to obtain the parent's permission to use these images.

If you would like to share your photos please do, you can either send them to us at info@wanboroughshow.org or share them on our Facebook page.

Vehicles (Display and General)

The show field is a busy place especially on show day. The show involves people, animals and vehicles of all types. We would like to remind people to take as much care as they would do on a busy road. In fact please take even more care!

This basic rule applies to drivers too of course. Please anticipate the unexpected and always keep to the speed limit which for all parts of the show fields, the entrances and exits is DEAD SLOW at all times!

- Please take as much care as you would do on a busy road
- Please anticipate the unexpected
- Please keep to the speed limit which is DEAD SLOW at all times!

Thank you for helping us keep a safe environment.

The Sweeper

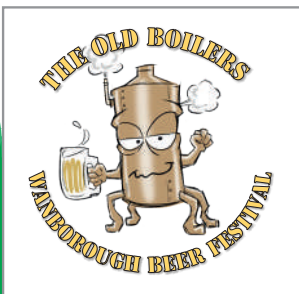

You might have seen the Last Man Standing inflatable, also known as the Leg Sweeper or the Sweeper, on TV shows such as Total Wipeout. The aim of this inflatable attraction is simple - just stand on the circle, and when the leg sweeper comes towards you, jump or duck in an attempt to evade it. You need fast reflexes, accuracy and nerves of steel to defeat the Leg Sweeper!
